

1950s Grease themed day at Loose Valley Care Home

We took a trip back to 1950s America on Wednesday 9 October here at Loose Valley Care Home, as we hosted a brilliant 'Grease' themed party at our Home.

With music, outfits and decorations, we set the scene and turned the clock back! **Kevin Walsh** was on hand to entertain us all with his fantastic voice. He is always so wonderful at interacting with our residents - our ladies love him!

Together with our Recreation and Well-Being Champion Paula and Recreation and Well-Being Manager Viv, Kevin sang 'Grease is the Word', 'Sandy' and 'You're the One That I Want' from Grease, which our residents loved!

One of our ladies said "*I remember this the first time around!*"

Great fun was had by all, and we can't wait to organise our next themed day.

A big shout out to Kevin for entertaining us in such style!
