

50s and 60s tunes with Kevin Walsh at Loose Valley Care Home

Our residents at Loose Valley Care Home were treated to a tantalising set sung by our wonderful returning singer Kevin Walsh on Tuesday 3 August.

Kevin entertained everyone with his luxurious voice, with many of our **favourite sing-a-long songs from the 1950s and 60s.**

New residents to our **Home** were tickled pink to have a new face entertain them and they enjoyed being introduced to an outside act. Other residents had fun dancing with our Recreation and Well-Being Team.

A wonderful afternoon was had by all and we hope Kevin will be back soon!

We always love Kevin's performances
