

## A merry Christmas at Loose Valley Care Home

### Tiger School

Tiger Primary School children hand-made our residents here at Loose Valley Care Home some lovely Christmas cards with special messages inside – thank you all so much! These cheerful cards really bring a smile to our residents' faces.

### Yummy Christmas lunch

The tables were set beautifully for our **traditional roast turkey lunch**; residents admired the beautiful flower displays, enjoyed a glass of bubbly, red wine, bucks fizz or sherry with their meal.

### Robin Hood pantomime

Our residents enjoyed watching a **Robin Hood pantomime** – *oh yes they did!* Our lady Jean didn't feel like coming out of her room to watch it – so we took it into her on the laptop; she joined in with the classic "*It's behind you!*" and sang along to the **Christmas carols** at the end.

### Bel Canto Sopranos

**Loose Valley** had a real treat – a special, personalised performance from a **classical crossover group** call the **Bel Canto Sopranos**. The one hour virtual concert was put together with special video messages from our residents family messages – what a wonderful surprise! It was lovely to see their reactions when family members popped up on screen to say "*Merry Christmas!*".

Everyone who watched the concert, whether together in the conservatory or from the comfort of their own room, absolutely *loved* it!
