

Big balloon games at Loose Valley Care Home

Residents at Loose Valley Care Home had great fun with a giant balloon game this week during a movement class. We played a few games with the big blue balloon, using pipe and lagging for bats to hit the balloon with.

We moved onto games of **frisbee**, throwing it onto a large target map where we would aim for a certain colour and point score.

Tin can alley was a laugh, throwing bean bags and sending the tins crashing to the floor – *what a noise they made!* It was a very exciting mini sports afternoon!

The giant ball and bean bag games were great fun!
