

Billy and Phoebe make friends at Loose Valley Care Home

Billy the cat belongs to one of our residents here at Loose Valley Care Home.

A handsome ginger and white fellow, he is 9 years old and such a sweetheart. As soon as anyone walks into the room he comes over and enjoys all the fuss he gets.

His favourite thing is watching the birds and squirrels on our feeders outside his window.

We took our **rabbit Phoebe** along to see his mum last week, and Billy was very intrigued and amused as to what the fluffy bundle was on her lap! He stared at Phoebe for a while, had a sniff and wondered what she was. He then just followed her about!

Such a gentle and well behaved cat, we love having him at **Loose Valley** and our residents love to cuddle with Phoebe as she's so comforting and relaxing.
