

## Billy brings the smiles at Loose Valley Care Home

Our cat Billy at Loose Valley Care Home loves the latest edition of our Group newsletter – the [Nellsar News](#).

He has been checking out **his photo in this latest issue** and thinks he looks very handsome!

You will always find Billy at our Reception, usually sitting by our signing in book, so he gets the attention of **families and visitors** coming to see their loved ones.

*He doesn't miss a trick and loves to get a tickle under his chin or a belly rub!*
