

Bingo and Treats at Loose Valley Care Home

On Monday 21 May, Loose Valley Care Home residents had great fun during an afternoon of Bingo – many thanks to Phil who hosted as Bingo-caller – so our ladies and gents could concentrate on winning.

Phil kindly provided all the prizes and there was lots of excitement and anticipation from both the residents and family members who turned up and joined in. I'm not sure who was more excited the residents or their family members!

All of our winners are now stocked up with chocolate treats and toiletries for at least a few weeks!
