Birthday celebrations at Loose Valley Care Home

We've enjoyed two recent birthday at Loose Valley Care Home;

Maureen turned 83 on Friday 12 November, when her family visited and she enjoyed a lovely birthday cake.

Our staff sang '*Happy birthday*' and she enjoyed lots of cards, gifts and **helium balloons** which reminded her of her age!

Theresa celebrated her 88th birthday on Monday 15 November and she enjoyed her family visiting over two days, including her great grandchildren which she absolutely loved.

She received a **beautiful basket of flowers** and **lots of cards**, and then a birthday cake and singing to her, which she was delighted with; her son was with her so he joined in with the singing! A nice cup of tea and cake was served afterwards – *perfect!*

Many happy returns ladies!
