

Birthday celebrations for Barbara at Loose Valley Care Home

Barbara celebrated her 93rd birthday with us last week at Loose Valley Care Home.

She enjoyed listening to the **church service**, as she usually does with her resident friends on a Sunday morning.

We then **decorated our conservatory** for her, where she likes to have her lunch and spend some sociable time.

Her son and two daughters came to visit in the afternoon when we all sang '*Happy birthday*' as we presented her with her **birthday cake**; she blew her candles out with a little help!

Many happy returns Barbara!
