

Birthday celebrations for Barbara at Loose Valley Care Home

On Friday 7 May, we enjoyed celebrating Barbara's birthday here at Loose Valley Care Home.

Barbara was spoilt by our staff, **getting her nails done** and her **room decorated** for her special day.

We all sang '*Happy birthday!*' to her and presented her with a **strawberry masterpiece birthday cake** made by our very own French Chef Alex. The cake was a favourite with all of our residents, comprising of cream, strawberries and pastry, in a cream slice fashion, topped with royal icing and sprinkles. *Delicious!*

Many happy returns Barbara, we're delighted you had such a super day!
