

Birthday wishes and Christmas activities at Loose Valley Care Home

Last week we enjoyed multiple birthday celebrations here at Loose Valley Care Home.

A big 'Happy birthday' to **Barbara (pictured)** plus **Alf and Rosemary** – they had balloons, banners and cakes galore!

We also made a flying start on our **Christmas decorations** during the week, with lots of help from our residents. **Doug** took on the task of **decorating both of our conservatory trees** which are all things bright, white and sparkly! Some of our ladies helped with the placement of decorations in our lounge which we have kept more traditional and cosy.

We also had the pleasure of **welcoming Anna Broadley in to sing for us**. She sang a wide range of songs to suit everyone ...*and as you can tell from Molly's smile, she loved it!*

A cosy Christmas!
