

Birthday wishes for Gwen at Loose Valley Care Home

On Sunday 10 April, we celebrated Gwen's 94th birthday at Loose Valley Care Home.

Her **family** came in on Saturday and bought her a lovely selection of **cards and gifts**, and we decorated her room with birthday banners and balloons, which she loved!

Everyone sang '*Happy birthday*' to her and some of her friends were asking how old she was and comparing ages.

She was delighted with her **birthday cake, covered in colourful jelly sweets**, and she opened many more cards and a package containing a lovely box of chocolates which our Manager Alina helped her open.

Many happy returns Gwen!
