

## **Birthday wishes for Gwyneth at Loose Valley Care Home**

**On Monday 2 August, Gwyneth celebrated her 95th birthday with us at Loose Valley Care Home.**

She had a very special celebration, as **her granddaughter, daughter and son-in-law brought in a special birthday picnic** to share in one of our guest rooms at the front of our **Home**.

Gwyneth's room was decked to the nines with **decorations and cards**, showing how truly loved and appreciated she is. Her daughter also brought in enormous **nine and five balloons!** ...in certain positions, people couldn't read them in the correct order, much to Gwyneth's delight – she thought she'd fooled us all!

In the afternoon, a chorus of 'Happy birthday' was sung to her, accompanied by tea and a **beautiful pink and white iced birthday cake made by our brand new Chef Dee.**

*What a wonderful day for all involved. Many happy returns Gwyneth!*

95 or 59...whichever you fancy Gwyneth!
