

Birthday wishes for Marlene at Loose Valley Care Home

On Monday 13 December we celebrated Marlene's 82nd birthday at Loose Valley Care Home.

We decorated her room with **balloons and birthday banners** and she received a wonderful bouquet of flowers from her family, who came in for a **special birthday visit**.

She was surprised by her **birthday cake** and loved it! A beautiful white chocolate and vanilla sponge with jam – *yum!* She enjoyed it with a cup of coffee and said *"Make sure everyone gets a piece!"*

Many happy returns Marlene!
