

Caz and Ellie sing for Loose Valley Care Home residents

On Tuesday 11 April at Loose Valley Care Home we welcomed mother and daughter duo Caz and Ellie to sing for our residents in our conservatory.

They performed a real mixture of **50s, 60s and county music** that everyone really enjoyed and got involved with – we had residents singing and lots of arms swaying.

We can't wait to have them back again in June – *thanks for a wonderful time ladies!*
