

## **Celebrating Mollys birthday at Loose Valley Care Home**

### **Happy 101st birthday Molly**

**Today, Thursday 9 November, is Molly's 101st birthday and she is dressed in her beautiful red skirt and jacket which looks great on her!**

Molly's family members Rosemary and Margaret came all the way from The Cotswolds with their dog Benny, to visit her on her special day.

Molly's friends Marlene and Ian, along with her neighbours, also paid Molly a visit today with bag of presents, flowers, chocolates and perfumes.

### **Birthday pampering**

**Molly had her hair cut and blowdried for her birthday today – she will be at her most glamorous for Kevin Walsh when he comes to sing for us at Loose Valley this afternoon for her special day.**

*Molly is very happy and joyful today and she cannot wait to see her most favourite singer, Kevin, who is going to sing lots of love songs!*
