

## Celebrating our staff at Loose Valley Care Home

### On Monday 6 July we had double the reason to party here at Loose Valley Care Home!

Our **Chef Glen** celebrated **25 years service as a Loose Valley Nellsar Chef**. We made special posters and a cake, and presented him with a personalised bottle of vodka and a lovely card. Glen is a wonderful Chef and our residents speak very highly of him, his dinners and his pudding trolley! He always produces a great choice of desserts, from homemade trifles to cherry cheesecakes. *Thank you Glen for all your amazing years of dedication to Loose Valley.*

**Trafford our Domestic Assistant** also had a great reason to celebrate - it was his **21st birthday**! Debbie from the Domestic Team made him a cake for work and also one to take home to his family. He was a little shy and overwhelmed as we gathered to mark his big 'coming of age' birthday, but enjoyed celebrating his special day.

***Congratulations chaps!***
