

## Chinese New Year celebrations at Loose Valley Care Home

**Our residents and team members at Loose Valley Care Home took part in vibrant and joyous Chinese New Year celebrations, which brought together a colourful and enriching experience.**

We **decorated our conservatory** beautifully to honour the occasion and our residents enjoyed a **Chinese meal for lunch**, with sides of spring rolls, wonton dumplings, chicken satay and all the delicious dips.

We really love celebrating different cultures around the world on our **Nellsar cruises**, and there was plenty of enthusiasm to ensure the day was a memorable one – with **Chinese dragon ensemble music** playing in the background, themed facts and a **quiz** all about China, its culture and zodiac animals.

Our residents even had a go at writing their names in Chinese style letters, and posing for photos.

*We all enjoyed a wonderful trip!*
