

Christmas crafts and cuddles at Loose Valley Care Home

Paula, our Recreation and Well-Being Champion at Loose Valley Care Home, has been busy making lots of Christmas angels recently.

Our residents have also been busy making some **festive decorations** for their rooms.

Each of our residents has chosen which angel they would like, plus had a choice of berries, pinecones and lots of Christmas decorations.

Our festive decorations are made up of a box or lid covered in a snow blanket, topped with mini ornaments such as a post box, mini house, red poinsettias, artificial berries and painted pinecones for Christmas trees; our residents were eager to get their hands on one for their rooms! *Paula has her work cut out making them on request!*

We've also enjoyed dressing up our **baby bunny in a Christmas hat** and **Billy in his Santa suit** – *they are so cute and cuddly!*
