

## **Christmas day at Loose Valley Care Home**

**Everyone at Loose Valley Care Home got their Sunday best on for a fun and festive Christmas Day.**

We delivered everyone their Christmas gifts to open and enjoy, we set the conservatory beautifully for Christmas Lunch, and lots of our residents came down and enjoy lunch together.

We had the usual crackers with terrible jokes and Christmas pud! Our residents then went round to our lounge and watched the King's Speech followed by the film *Aladdin*.

Our ladies and gentlemen loved seeing their friends and family that made their way to us on the big day. Another great Christmas at **Loose Valley!**
