

Christmas jumpers and festive music at Loose Valley Care Home

We enjoyed Christmas Jumper/T-shirt Day this week at Loose Valley Care Home, when many of our residents popped their festive jumpers on and our staff also got involved.

It brought so much **colour, joy, and laughter** to our Home in the run up to Christmas and got us all feeling very festive.

In the afternoon **we welcomed entertainers PJ and Rose**, the wonderful uncle and niece duo who put on a **fabulous Christmas show** for our residents to enjoy, with all their best Christmas songs of course!

Thank you PJ and Rose for always putting on such a good show for us. Merry Christmas to you both!
