

Christmas party time at Loose Valley Care Home

We had a wonderful Christmas party here at Loose Valley Care Home on Saturday 8 December, with plenty of yuletide cheer to go around!

Musical entertainment was provided by Barry, who delighted us with his singing performance. Our residents had a super time singing along and enjoying time with their families in the party atmosphere. We had some impressive Christmas hats on show too!

We had a very special guest appearance from Santa himself, who brought presents for the visiting children, which was a lovely highlight.

Glen and Diane in our kitchen created a delicious buffet spread, complete with their speciality hot cheese scones with melted butter, which were fantastic!

It was a wonderful festive gathering of young and old at **Loose Valley** – a brilliant time was had by all.
