

Christmas with the King at Loose Valley Care Home

Elvis was 'in the building' here at Loose Valley Care Home on Monday 16 December!

Tony Taylor (aka Elvis Presley) came in to entertain us all and delighted our residents with a selection of Christmas songs including 'White Christmas' and some Elvis classics like '(Let Me Be Your) Teddy Bear'.

He looked brilliant in his gold jacket and sounded great too – encouraging us all to sing along.

Tony is an old school friend of Paula, our Recreation and Well-Being Champion. They have known each other since Paula was 11! It was lovely to welcome him in to join the Loose Valley family.

Thank you for a great time Tony!

Next week we'll be welcoming members of the Hilton Dance Academy to join us at our Home for Christmas carols. *We can't wait!*
