

Christmas wreaths and cards at Loose Valley Care Home

Paula our Christmas Elf has been working in her workshop, busy making every one of our Loose Valley Care Home residents a Christmas wreath – all handmade, individual and unique.

With Charlotte, we took around our trolley to all our residents' rooms, playing **Christmas tunes** as we went, to **hand out the beautiful wreaths**.

Our ladies and gents loved such a **personal touch** and a touch of Christmas on their doors or in their rooms.

We also enjoyed **Christmas card making** in the afternoon and will carry this on this week, as well as creating some Christmas scene pictures.

It's getting exciting with all the **Christmas shows and singalongs** we have planned this week and next. *We can't wait for all the festive fun!*

We all loved Paula's beautiful Christmas wreaths
