

Cosying up this winter at Loose Valley Care Home

We adore having Billy our cat here at Loose Valley Care Home and he is enjoying the warmth of our lovely new fireplace with its flame effect coals.

Cats seek out the heat, so a **lovely warm lap** with a knitted blanket on is his favourite place to be, especially as the days and nights are changing temperature.

Such a loving boy when your lap is chosen by him – *it makes you feel all warm inside!*

Here he is getting **snuggly with Gwen!**
