

Country and Western Day at Loose Valley Care Home

We all had a great time on our Country and Western Day at Loose Valley Care Home on Monday 3 October when singer Jasmine arrived with her cowboy outfit and America flag backdrop.

We filled our conservatory with **props including mini horses**; Paula from our Recreation and Well-Being Team made them saddles and bridles for the show and our residents posed with the white horse who we named '*Silver*' after Roy Rogers' horse.

Country music is a wonderful choice and we all sang along to Dolly Parton, Glen Campbell, Johnny Cash, Kenny Rogers, Patsy Cline, Tammy Wynette and Billy Ray Cyrus, to name a few! Everyone enjoyed joining in with the well known songs and our very own **Doug took a turn on the mic to sing 'Rhinstone Cowboy'**.

Jasmine always gets everyone involved with her show and props. We had an **Indian headdress** and **cowboy hats** and several residents had a **photoshoot**, posing as cowboys and Indians.

June had fun playing an Indian and Evelyn wore a cowboy hat and held a prop gun – *they laughed and had so much fun pretending!*

Billy the Kid or should we say '**Billy the Cat**' was a wanted boy, but Paula the Sheriff of Loose County managed to capture him eventually!

Yee haw!
