

## Country Legends at Loose Valley Care Home

We enjoyed a fantastic Country and Western afternoon here at Loose Valley Care Home last week, with the wonderful mother-daughter duo Caz and Ellie who entertained us all with a selection of country legends songs.

Our Activities Team transformed our conservatory into a **cowboy town** and we all dusted off our Stetsons and polished our cowboy boots to celebrate in the 'Wild West Valley'!

We had a **cowboy photoshoot** with a jail cell, wagon, horses, hay bale, cactus and wanted posters no less! **Sheriff Paula** was in town with her posse (of residents) to make sure Law and Order was upheld!

Our residents and team love dressing up for our special theme days – yeee haw!

What an fantastic afternoon of fun, singing all the country classics alongside Caz and Ellie. Thank you so much to them both for such a great time!
