

## Cruising back to traditional English celebrations at Loose Valley Care Home

**Our Loose Valley Care Home residents and staff have landed back in Blighty after flying back from the Caribbean and celebrating the end of our wonderful Nellsar Cruise.**

We hosted a **quiz** including 'royal', 'sayings' and a 'picture landmark' round, all with **prizes** – some English tea in a beautiful picture box and London pens!

We even had our **photos** taken by Big Ben and a red phone box!

Our residents enjoyed a **traditional roast dinner**, followed by a choice of delicious **apple pie and ice cream**, or **strawberry trifle**, all handmade by our new Chef Dee.

Passports were stamped as we ended our wonderful journey all over the world on our special cruise ship with **Nellsar Cruises**.

Tea and cakes were served for **afternoon tea** to finish off our marvellous travels.

*What fun we've had!*
