

Dreamboats and Petticoats show at Loose Valley Care Home

On Tuesday 2 April, the lovely singer Jasmine entertained residents and staff at Loose Valley Care Home with her Dreamboats and Petticoats show.

Travelling back in time for the fantastic 1950's music show, residents and Recreation and Well-Being staff danced to rock 'n' roll, while doing the twist and the hand jive!

Our residents reminisced on their teens, twenties and thirties, and everyone was dressed for the occasion. One of our ladies who is 102 years old, loved the polka dot skirt and scarf, and everyone took a turn on the mic for a sing-song.

We thoroughly enjoyed every minute, our residents loved it and they thanked us for putting on such a great show. *You're very welcome!*
