

Easter fun at Loose Valley Care Home

We've had a super Easter here at Loose Valley Care Home, with lots of activities for our residents to enjoy including an **Easter quiz** and sharing facts about Easter traditions in different countries and cultures surrounding the Christian event.

Our arts and crafts have been in full swing too! We've **coloured in wooden daffodils**, some with traditional colours and some in all colours of the rainbow!

For our Easter lunch our ladies and gents enjoyed **roast lamb and all the trimmings** and a **hot cross bun cake** with custard for dessert, accompanied by a **refreshing fresh fruit mocktail**.

The **Easter bunny handed out Easter eggs** to all our residents and we had lots of families come in to visit with little ones, which was lovely.

A really memorable Easter with lots of smiles.
