

## **Giant games at Loose Valley Care Home**

**Our residents thoroughly enjoyed some giant games and loved getting involved with them here at Loose Valley Care Home.**

We played giant snakes and ladders, bean bag target and tin can alley. We also blew some balloons up and used foam bats to hit them and keep them up in the air.

We had lots of laughs, especially with our Activities Team running around chasing stray balloons and rolling cans!

We always find that getting our residents moving brings everyone's spirits up whilst getting everyone talking and joking. *Great fun!*
