

Giving Tree surprises in store for Loose Valley Care Home residents

We are thrilled to be part of a local initiative – a fantastic idea by Lindsey and Leah who are part of the Loose community, to create a 'Giving Tree' inside Sainsbury's Loose, involving our residents here at Loose Valley Care Home.

Santa's little helpers put name labels on the **Sainsbury's Christmas tree** for each of our residents; customers can then choose one off the tree and purchase a gift for one of our ladies or gents at our **Home**. There are also labels for another local Home, Loose Court.

All **gift donations** can be handed in to Sainsbury's staff who will arrange to hold them for 72 hours to ensure they are COVID-safe. They will then deliver these, along with Christmas cards from the children at **Tiger Primary School**, to the Homes.

Donations of treats for the hard working care staff at both **Homes** are also welcomed, to surprise them over the Christmas period.

Thank you Lindsey and Leah – such a thoughtful idea and we are so delighted to be involved with it.
