

## Grease themed music from Kevin Walsh at Loose Valley Care Home

**Our favourite singer Kevin Walsh came to entertain us all at Loose Valley Care Home on Tuesday 21 September, with a 1950s Grease theme for his afternoon singalong, chosen by our residents.**

Paula from our Recreation and Well-Being team dressed up **Maureen as a pink lady** – *she loved the outfit so much and couldn't wait to stand up and have a dance!*

**Molly absolutely adores Kevin** and the picture of him serenading her is priceless; *her smile says it all!*

Recreation and Well-Being Manager **Viv Stead came and joined in the fun** and dressed up in a red polka dot dress, which looked amazing!

Paula and Viv sang two classic Grease songs with Kevin, 'Sandy' and 'You're the one that I want', much to everyone's delight!

We enjoyed small bottles of lemonade with straws and slices of homemade cake.

Kevin is a firm favourite at our **Home** and one resident was already keen to know when his next visit was!

***What a lovely afternoon spent singing together and dressing up.***
