

Halloween crafts and decorations at Loose Valley Care Home

Our lovely ladies at Loose Valley Care Home enjoyed some Halloween themed arts and crafts ahead of the eerie day at the end of October. We had a painting art class with Halloween pictures while listening to the music.

During the day on Monday 31 October, we took four of our residents to Millbrook garden centre for an afternoon tea. On the following day we did a hair-raising Halloween quiz and listened to a spooky playlist of songs including *"I Put A Spell On You."*
