

Loose Valley Care Home residents enjoy Halloween party fun

We all loved hosting our Halloween party last Thursday 31 October here at Loose Valley Care Home.

We **dressed up as witches and devils** and were delighted to welcome Hayley's niece and nephew, aged 4 and 6yrs, who got dressed up too. Even our Pet Therapy dog Herbie joined in the fun!

Our residents loved the **party music, hot buffet food** and fruit punch. We held a Halloween quiz, bingo and a '*guess the film title from the Halloween music*' game too, which was brilliant fun!

Our residents were given **buckets of sweets for trick or treating** and the visiting children came around to each of them and had a great time.
