

Happy birthday Molly at Loose Valley Care Home

Celebrating Molly's 100th birthday

Our lovely Molly here at Loose Valley Care Home celebrated her 100th birthday on Wednesday 9 November.

We had a father and daughter duo visit the Home and perform on Tuesday 8 November – they sang to Molly in the conservatory, which she thoroughly enjoyed; she was singing along and really getting involved. They sung Molly a special "*Happy Birthday*" which she was very happy with.

Molly also received a very special card from **King Charles and Queen Consort Camilla** which she has put in pride of place on her windowsill with some of her flowers. Molly has a mountain of cards some of which the other residents made for her, and a room filled with balloons, flowers and banners. Molly's cake was her favourite – *fruit cake*!
