

## Happy birthday to Jean and Maggie at Loose Valley Care Home

### Happy birthday Jean

On Friday 6 August we celebrated a very special lady's birthday at Loose Valley Care Home! Jean Tucker was completely spoiled on her special day with a decorated banner for her room and balloon. She received a visit from her son, who she was elated to see.

This experience was then made even more memorable when the entire staff came to greet her with the "Happy birthday" song and a wonderful chocolate cake! You can tell from the photo (left) that Jean has a penchant for Maltesers.

## Happy birthday Maggie

**On Sunday 15 August Maggie enjoyed her birthday celebrations with the residents at Loose Valley.**

To start the day, her family came to visit her, and open presents and cards with her. The staff then presented Maggie with a glorious cake, made by our lovely Chef Dee, whilst they all sang a chorus of "*Happy birthday*" at the top of their lungs!

Maggie then enjoyed a slice of the beautiful cake! If you can't have cake for breakfast on your birthday, when can you?!

One of Maggie's gifts from her family was a lovely plush cat, that could even breathe! I think our resident cat billy was a bit put out for attention...
