

## Happy birthday to Maggie at Loose Valley Care Home

We celebrated the 85th birthday of our lovely resident Maggie here at Loose Valley Care Home on Monday 15 August.

**Maggie** received lots of birthday cards and gifts, a beautiful bouquet of flowers, a visit with her son John and as a WhatsApp video call with her son Neil.

We decorated around **Maggie** for her special day with balloons and birthday banners and her bedroom got a makeover too!

Using [interactiveMe](#), we played music videos in the afternoon in the garden; It was a beautiful sunny day – **Maggie** loved all the music and her feet were tapping to the beat.

**Maggie** enjoyed her birthday cake with a nice cuppa – but not before our Care team sang a rendition of "Happy Birthday!" to her!
