Happy birthday to Ralph at Loose Valley Care Home

It was Ralph's 82nd birthday on Monday 24 January at Loose Valley Care Home and our staff visited his room with a delicious coffee cake, singing 'Happy birthday!'

He was so surprised! His room was decorated with **balloons and banners** to let anyone passing know it was his birthday (...*he was trying to keep it quiet!*).

He came down for a game of **Scrabble** in the afternoon, coming 3rd out of four players; each of them got a **prize** from our basket – they could choose from mini Guylian or Lindt chocolates, hand cream or a London pen.

Ralph had never played Scrabble before, so three of our ladies taught him the rules of the game, which he really enjoyed, accompanied by a cup of coffee and chat!

Many happy returns Ralph!
