

Jean enjoys the sunshine and flowers at Loose Valley Care Home

Jean enjoyed a lovely walk outside in the glorious sunshine this week, admiring the flowers we have down our driveway at Loose Valley Care Home.

We picked a **red camellia** and put it in her hair and took some **lovely photos** of her to send to her daughter and son on WhatsApp – they thought she looked beautiful.

The flowers are all appearing now; we have **daffodils**, **yellow primroses**, **camellia** and also a wonderful **magnolia tree** which is in full bloom.

The cherry blossom has all but finished, but our tulips are pretty and it's so wonderful to see the splashes of colour.

We will be going outside a lot more now the weather is warming up and we need to do some potting up!

Everyone loves a little **gardening** and it will be great to get even more flowers planted for everyone to enjoy.
