

Kevin brings love and romance to Loose Valley Care Home

Our residents at Loose Valley Care Home were not disappointed with their Valentine's date this weekend – our dreamy singer Kevin Walsh, who brought some 'Love and Romance' into our lives with a pre-recorded musical performance.

To celebrate the special day, we invited all of our residents to the event with a **love heart invitation**. Upon arrival, they also received **love heart magic wands** to spread the love throughout the whole of **Loose Valley**.

All our residents loved watching **Kevin's romance-themed music set** on television together. They thoroughly enjoyed singing and dancing along with the music and being serenaded by their one true love ... Kevin!! *(They were much less impressed when our Recreational Activity Champion Ella suggested that she could be their Valentine... Kevin was a sure favourite!).*

The Valentine's **chocolates and wine** were an added bonus and went down very well.

Lots of love to all on this magical day.
