

Kevin continues to bring a smile to Loose Valley Care Home

We are loving our Samsung tablet at the moment here at Loose Valley Care Home, especially the video facility on WhatsApp which has been helping us keep connected to the 'outside' world.

Our amazing singer **Kevin Walsh** has kindly made videos of himself singing some of our favourite songs to keep our residents entertained during this time when he can't visit in person.

One of our residents requested the song '*If I said you had a beautiful body*' - as they listen, our residents always sing "Yes" at the end of the line, as it carries on with the lyric "*Would you hold it against me?*", which always makes us all smile!

Kevin dedicated it to the residents of **Loose Valley**; he's such a wonderful performer and loved by everyone at our **Home**.

We are all so thankful to him for producing these songs for us.
