

Kevin Walsh delights residents at Loose Valley Care Home

We welcomed Kevin Walsh to Loose Valley Care Home on Monday 26 October, to entertain our residents with his wonderful music from our garden.

He sang some newer songs we hadn't heard of, including 'Lay Your Head on my Shoulder' and Eric Clapton's 'Wonderful Tonight' which everyone agreed was very romantic and such a beautiful song.

Thank you for coming Kevin, we always love the energy and joy you bring to our Home.
