

Kevin Walsh entertains at Loose Valley Care Home

We loved welcoming singer Kevin Walsh to our Home on Wednesday 22 May as our residents at Loose Valley Care Home really enjoy seeing him.

And what a fantastic show he performed for us! Everyone was singing and there were smiles all around.

One of our ladies told us about her favourite song - *The Last Waltz* - which she danced to with her husband on her wedding day. So Paula, our Recreation and Well-Being Champion, got her up on the dance floor. She thoroughly enjoyed herself and said how happy she was to dance a little again.

We all had a super time together - thank you Kevin!
