

## Kevin Walsh sings at Loose Valley Care Home

### St. Patrick's Day celebrations

Our residents here at Loose Valley Care Home were delighted to be joined by Kevin Walsh once again – he is one of our favourite entertainers.

He sings, dances and entertains us so well in his interactive sessions where we all join in with a singalong – being his backing singers!

With a backdrop of Irish decorations, we partied with Kevin for the afternoon on Monday 14 March as an early **St. Patrick's Day** celebration.

We had some delicious homemade cheesecake infused with Baileys Irish Cream Liqueur – it was so yummy our residents want me to make another one!
