

Loose Valley Care Centre residents enjoy two wonderful wintery outings

We've had two outings in our mini bus recently with our residents from Loose Valley Care Centre, which have really got us in the festive spirit!

We took an afternoon trip to Milbrook Garden Centre and really loved all the sparkling Christmas displays and wonderful gifts. Of course we ended up in the coffee shop and enjoyed warming hot chocolate and cake.

Continuing the theme, we also visited the 'Winter Wonderland' at our local Notcutts Garden Centre to see all the magical decorations. We saw singing reindeer who really amused us! The Christmas lights were amazing and we had our photo with Santa and his sleigh, complete with a reindeer. Magical!
