

Loose Valley Care Home gents enjoy a pub lunch outing

On Tuesday 5 December we took our Loose Valley Care Home residents Doug and Bob to a local pub in East Malling called the King and Queen for some social time and a spot of lunch.

The King and Queen is a **traditional pub** in looks, and we picked a great day for it, as it was cold but the sun shone for us!

The chaps enjoyed a **proper pint** along with **steak and chips**, *wonderful!* They came home full and happy!
