Loose Valley Care Home Hosts a PJ day for Alzheimer's!

Our residents and staff at Loose Valley Care Home held a special 'Pyjama Day' to raise money for Alzheimer's Society last week, during Dementia Action Week (21-27 May).

Our staff particularly enjoyed the dressing-down day, but did come to realise they had nowhere to put their pens!

As a team, **we managed to raise £150 for Alzheimer's Society**, which we are delighted with!

Thank you to everyone who donated money and those who wore their PJs for the day. A great effort by everyone!
