

Loose Valley Care Home receive amazing gifts from Maidstone Sewing Club

We were delighted to receive a wonderful gift at Loose Valley Care Home last week from a lovely lady called Sarah from the Maidstone Sewing Club.

Ranging from scrubs, scrub bags (for laundry), aprons, bonnets, hand made cards, hand creams, mini purses made out of fabric, mini knitted hearts, wooden hearts and butterflies, crisps and buttons on fabric for attaching to face mask to make them more comfortable to wear; such a thoughtful selection of gifts for our hard working staff, which filled a large laundry bag!

Sarah's note read;

"Thank you for your care, effort, determination and love during this challenging time."

We are absolutely overwhelmed with the generosity of **Maidstone Sewing Club** and we thanked them on their Facebook page, so we could share their amazing kindness.

Huge thanks to all those involved in putting such fantastic gifts together for us – they are hugely appreciated.
