

## **Loose Valley Care Home residents do love to be beside the seaside**

**We took four of our Loose Valley Care Home residents to Sheerness seaside, on the Island of Sheppey, on Monday 17 June.**

We took our minibus and headed off on a gorgeous sunny day.

When we arrived we enjoyed a super walk along the seafront and found a lovely café in the town centre.

The staff were so welcoming and re-arranged the tables for us, so they could accommodate four wheelchairs and four staff. We really enjoyed our fish and chip lunch!

*We all thoroughly enjoyed the outing, full of great chat and fresh sea air!*
